

# JESIUM 2020

Joint European Stable Isotope  
Users group Meeting

4-9 October 2020 | Kuopio, Finland

## Call for Abstracts

Deadline: 30 March 2020

4-9 October 2020

[jesium2020-kuopio.org](http://jesium2020-kuopio.org)

UNIVERSITY OF  
EASTERN FINLAND

**Deadline for abstract submission: Monday, 30 March 2020**

### How to submit your abstract

- Please submit your abstract by adding your abstract as docx file (please [download our template here](#)) and filling in the form giving in the online system.
- During abstract submission, you will be asked whether your contribution is thought as a talk or a poster abstract and to which session it belongs to.
- Remember to mention the affiliations and co writers in the abstract file.
- The maximum length of the abstract body text is max. 1 page including the list of authors, affiliations and references.
- Tables or figures will not be accepted.

Please note: abstract submission and online registration are two different procedures. [Register online here](#).

We are looking forward to many interesting contributions!

*Christina Biasi, Marja Maljanen & Jukka Pumpanen*
